Sir,

* FAMINE- Siruguppa Taluk- Hatcholli firka- test work
at Nadangam - starting - sanction requested.

ENCLOSURES _____

SPARE COPIES _____

The whole of Hatcholli firka was affected and 25% remission of land revenue granted to all the villages of that firka. Petitions have been received from some villages of this firka requesting to start a famine test work to give them employment. The Revenue Divisional Officer, Bellary reports that as the labourers have not been finding any employment there is need for a test work. He proposes the road from Ravihal to Hrivanam via Nadangam to be taken as test work with headquarters at Nadangam. I visited this locality and I agree with him. This work is in the famine programme and will serve the affected villages in that tract. I therefore propose to start the work on or about the 25th May 1935 and request that the Board will be pleased to accord sanction. I request that orders may be sent to me by wire.

Board's Ref: H. 3489/35.1, dated 18.5.1935.

The test work at Nadangam in Hatcholli firka of Siruguppa taluk was started on 27.5.35. The number of workers has gone over 1,000, the latest attendance being 1,071 on 6.6.35. I inspected this work on the 7th instant and I am convinced that there is real distress in this area. This being a black soil tract, the agricultural operations are not likely to commence till the end of August 1935. I therefore recommend that this work may be converted into a relief work under section 53 of the Code.

2. Labourers attend this work from the villages mentioned below:---
